

**EOL Notification For Landmark's  
LM196- 315XW02 and LMK196- 315XW02**

Landmark would like to announce the EOL (End Of Life) of LM196-315XW02 and LMK196-315XW02. The EOL for the LM196 and LMK196 is due to the discontinuation of AUO T315XW02\_VC LCD panel which is the base panel for LM196/ LMK196.

**Specifications LM196-315XW02**

Size/ Resolution	31.5" WXGA
Screen Luminance	1,250 nits
Contrast Ratio	1,500:1
Viewing Angles	85/ 85/ 85/ 85

**Specifications LMK196-315XW02**

Size/ Resolution	31.5" WXGA
Screen Luminance	1,250 nits
Contrast Ratio	1,500:1
Viewing Angles	89/ 89/ 89/ 89
LCD Controller	MG21/ MG22
Input Signals	VGA & DVI / VGA, S-Video, Composite

The LM196-315XW02 and LMK196-315XW02 are being replaced by LMG219-320AA02 and LMG219-320AA02 kit. LMG219 is Landmark's new 32" VHB LCD module with LED backlight. The LMG219-320AA02 has identical dimension and mounting mechanism as LM196/LMK196. The LMG219-320AA02 utilizes the Samsung DID panel, LT1320AA02, as the base panel which Samsung has guaranteed a longer panel life cycle and is suitable for portrait and landscape application usage. In addition, recognizing the trend of LED backlights dominating future light source in all LCD applications, the LMG219-320AA02 comes with Landmark's new state-of-the-art LED backlight

Unfortunately, there will be no last buy available due to the fact that all our current inventory has all been allocated, and additional AUO LCD panels are no longer accessible. We sincerely apologize for all the trouble this may cause.
